Memorandum for: The Director of Central Intelligence

Subject: [REDACTED]

1. [REDACTED] has an appointment with you this afternoon. He may raise the question of an overpayment to him we have under consideration.

2. We wish to point out that we believe [REDACTED] is not in any way at fault in this matter. His branch asked that he be paid a salary differential while in [REDACTED]. This is not permissible for military personnel. The branch then authorized payment to him of a special living allowance. At present we believe this to be quite improper and unauthorized, so that approximately \$2,400 was paid erroneously. We are trying to work this out, but normal rules would require a collection back.
